At Three Rivers Bank of Montana, our management team has been meeting regularly to monitor the situation and make responsible decisions to protect the health and safety of our customers, our community, and our Three Rivers Bank family.

I wanted to reach out to all of you personally to let you know the precautionary measures we are taking at this time to meet the recommendations of the World Health Organization and Centers for Disease Control, as well as do our part to protect our team and our customers.

As of 4:00 PM today, March 18, 2020, we have decided to close our bank lobbies. At this time, the closure is for an indefinite period, but we will keep you informed through our website and online applications for future developments.
